EDUCATIONAL PARTNERSHIPS

Allen Elementary has a strong partnership with our local universities, allowing prospective teachers to gain hands-on experience right here in our classrooms!

NEW BEGINNINGS PROGRAM

New Beginnings is an alternative disciplinary program that keeps students in school and focused on learning, while addressing their behavioral and emotional needs.

This program has been featured by the Indiana Department of Education as one of its "Promising Practices" for other schools to consider, and it has also attracted attention from schools around the nation.

More importantly, it has drastically reduced the number of days missed by Allen Elementary students!
