

## Welcome to Our Workshop!

We hope to make this workshop very interactive, so we've set up a digital participation tool called PollEverywhere. Throughout the workshop, we'll ask you to share your ideas through PollEverywhere.

### How to Use PollEverywhere

#### FROM YOUR MOBILE PHONE

1. Open a new text message. In the "to" field, type **22333**
2. In the body of the message, write **SHANNONBRIE678**
3. Press send.
4. You will receive a confirmation message telling you that you've joined our PollEverywhere session.
5. You're all set! Now you can simply text your ideas when we have a PollEverywhere slide up on the screen.

#### FROM YOUR COMPUTER

1. Go to **PollEv.com/shannonbrie678**
2. You will be able to view and answer all polls from here as well!
