

# Title I Capacity Building Initiative

To visit the **Capacity Building Initiative** home page, please go to [www.region10.org/capacitybuilding](http://www.region10.org/capacitybuilding). Use the **Quick Links** in the left panel to navigate to all other pages.

## Best Practice Resources

**VISIT THIS SHOWCASE** of Critical Success Factors to examine best practices in high achievement and closing the achievement gap between student groups.

You will also find an overview of the Critical Success Factors (CSFs) including:

- A definition and description of each CSF
- A link between each CSF and its respective Turnaround Principle
- Research articles and informative videos
- Many useful tools to help you plan, address, and achieve student success

CSFs are foundational elements within the framework of the Texas Accountability Intervention System, developed by the Texas Education Agency and Texas Center for District and School Support. Products of evidence-based research, they help prioritize your focus, which in turn, should promote a committed team effort towards improved student achievement and success.

**EXPLORE TITLE I, PART D RESOURCES** for guidelines, tools, and new ideas to help better support your Title I, Part D program.

## Best Practices in Action

**TAKE A CLOSER LOOK** at some successful schools! Best Practices in Action is a database of Texas Reward School Profiles that is searchable by Critical Success Factor, ESC region, school district, and campus. Simply click on the campus name to read the profile describing the school and its success:

- Contact information and demographics
- Best-of-the-best critical success factors
- Narrative describing implementation of best practices and their positive impact on student success

**BE SURE TO CHECK OUT** Reward School Videos to see best practices in action at Texas Reward Schools!

## NCLB Publications

**MAXIMIZE IMPACT** and meet guidelines by leveraging this remarkable cache of invaluable documents, tools, and brief tutorials.
